

2020 Annual Report

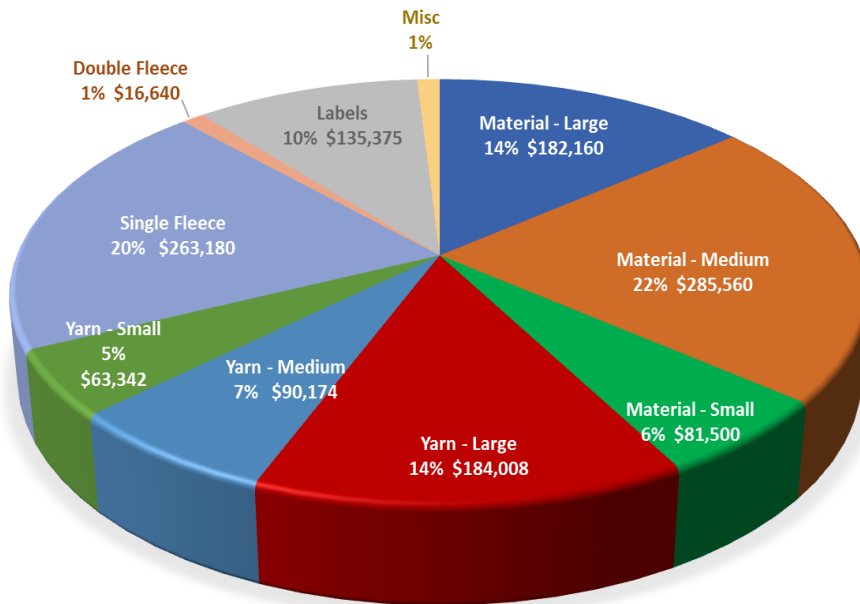

Dedicated to comforting children in foster care!

Our Mission

My Very Own Blanket is dedicated to warming the heart of every child in the foster care system and other youth in need with a blanket, to give them a feeling of comfort, security and most of all, a SMILE. Handmade blankets are created through the loving care of volunteers.

Giving and Receiving Blankets across the U.S.

Our Blanket Angel volunteers live in Ohio and in many other states. Most blankets made outside of central Ohio are donated in the area where they are made.

Our partnership with JustServe is bringing us a growing number of volunteers from other states through their justserve.org volunteer opportunity websites.

Hundreds of MVOB Blanket Angels, working alone or with a group, make blankets occasionally, or just once. We also have 60 or so active Blanket Angels from 15 states who have made an ongoing, multi-year commitment to providing blankets. We value every Blanket Angel and every blanket.

In 2020, our blankets reached children in foster care in 38 states through our non-profit partners such as My Comfy Kits, Comfort Cases, My Stuff Bags, Stitched Together, Carrying Hope, El'lesun, Wendy's Wonderful Kids and Buckeye Ranch, as well as a growing number (300+) of public and private foster care agencies across the U.S.

Partnerships with Senior and Adult Day Care Communities

Some of our blankets are made by residents in senior living or adult day care communities.

In our 23 partner communities, some residents make quilts or knitted/crocheted blankets. Others make fleece blankets from kits sponsored by donations, providing residents with a meaningful activity and sense of purpose while they provide comfort for children in foster care.
