

You're Invited. . .

. . . to a birthday party for

Date/time _____

Place _____

RSVP _____

I am throwing a blanket making party for my birthday! We are going to make easy, no-sew fleece blankets for children in foster care. It will be fun for us, and it will make a big difference to a child!

Feel free to check out the directions or if you want to make a donation or purchase extra blanket kits at www.myveryownblanket.org.

Thank you for helping make my birthday extra special!
