

Ideas for notes to write on your special tag

Our special tags, attached to the back of each blanket, are very important. We encourage blanket makers to sign their first name on the tag's second line so the child knows who made the blanket just for them.

We also ask blanket makers to write a short, encouraging note to the child to give each blanket even more of a personal touch.

Here are some ideas for notes:

- Always dream big
- No one else is you, and that is your superpower.
- You are smart, you are kind, you are incredible!
- Never lose hope; follow your heart.
- Don't be afraid to be yourself.
- You're braver than you believe, stronger than you seem, smarter than you think, and loved more than you know.
- You are so loved. Shoot for the moon. Even if you miss, you'll land among the stars!
- With every day, you get the gift of a new beginning.
- When there is no sunshine, be the sunshine.
- Just in case no one told you today, you are amazing!
- Follow your dreams. You are loved.
- Believe in yourself; you are braver than you think.
- You're growing to be someone special.
- You are the only YOU in the world.
- The world is a better place with you in it.
- May this blanket wrap you in comfort.
- Explore the world.
- Dream big and reach for the stars!
- The future is yours!
- Keep moving toward your goal. You can make it!
- Trust the magic of new beginnings.
- Whatever you do, do it with all of your heart.
- Your blanket to hold, to hug, to keep
- You'll never be bored when you try something new. There's really no limit to what you can do!
- It's never too late to be what you might have been.
- Life doesn't have to be perfect to be wonderful.
- You are special and bring a unique light to people around you!
- You make the world a better place.
- The world needs your smile!
- You light up this world!
- You're perfect just the way you are!
- Let your smile change the world. Don't let the world change your smile.

At holiday times, please DON'T write holiday-themed notes on your tags.

We cannot know when a child may receive your blanket. We want to include notes that are comforting and appropriate no matter what the season or the child's culture may be.

While we understand your seasonal good wishes, please understand that it may be several months before your blanket makes its way into the hands of a child. We will have to replace tags with holiday notes with tags with "timeless" notes. Thank you.
